PARTNERS FOR CHANGE

Lacey McNary

FOUNDER AND PRINCIPAL

McNary Group is your go-to partner for strategic consulting, technical assistance and project management. Our mission is to help those helping others. We come in when organizations need us and use a results-based approach to create a game plan for success. We then help clients take actionable steps that help them achieve their goals. Fighting for a cause is no easy job. It requires expertise, experience, skills and a strong serving of tenacity to get the results your organization is striving for. We want organizations fighting for the greater good to be successful because when you win, we all win. Let's make a change together. Clients have Included: YMCA, SHADAC, United Way, Kentucky Youth Advocates, Louisville Metro Government, CES Foundation, Foundation for Appalachian Kentucky, Kentucky Social Welfare Foundation, Utah Oral Health Coalition, Pew Charitable Trusts, Brian Injury Alliance of Kentucky, National Safe Place Network, Bounce Coalition, Indiana Youth Institute, Kentucky Oral Health Coalition, and the DentaQuest Foundation.

ABOUT LACEY

- Lacey McNary provides expert and experienced system change, policy and leadership consulting services to organizations across the country that want to get results and achieve their goals – particularly the non-profit sector, foundations and community organizations. Her mission is to get results for families, especially the most vulnerable. She employs a results based leadership and accountability framework in her approach. She specializes in health related issues including oral health, obesity, and children's health access, although skills are transferable across issue areas.
- Lacey joined the staff at Kentucky Youth Advocates in 2002 and served in many roles at the organization -including being a deputy director. Successes include leading a planning effort to improve oral health outcomes by developing a statewide oral health literacy campaign as she directed the Kentucky Oral Health Coalition. Lacey is adept at designing, initiating and sustaining a variety of projects and programs in several portfolio arenas, including health, early childhood, and child welfare.
- She serves as the secretary of the Southeastern Health Equity Council with the Federal Office of Minority Health. Lacey is an adjunct professor of public policy at the University of Louisville in the Kent School of Social Work.
